**TO: Prospective Lakeplace Client**

**RE: Chemical Dependency Care at Lakeplace**

You are being considered for or have been referred to receive ***Chemical Dependency Care*** at Lakeplace Retreat Center. At Lakeplace, our primary goal is to assist you gain an understanding of how the effects of your using alcohol or other drugs has had in your life and the lives of others.

Here in this beautiful, considered by many, spiritual setting, as a man or woman, you will be assisted in your personal understanding of how all significant areas of your life have been affected. You will have an opportunity to consider what you may need to maintain quality sobriety through achieving progress in your relationships, emotional sobriety, physical well-being, vocational satisfaction, sense of being included and spiritual growth.

**RE: Lodging and Services**

You will be assigned lodging in one of three different facilities: ***As a man: Fellowship Lodge, The Retreat or Step-up House. As a woman: The Duplex or Joy's House.*** The accommodations in any of these facilities will hopefully enhance your primary chemical dependency care experience.

Several additional services include "The Lakeplace Weekend Family Retreats". As needed balance, you will be able to participate in sober fun recreational and other activities or events.

At Lakeplace, our philosophy is to treat everyone with dignity, respect and trust. Lakeplace drivers, intake staff, support staff, resident managers and your primary counselor will all be pleased to welcome you. We expect any anxiety you may now be feeling to quickly diminish as others, especially those in your immediate Lakeplace recovering community, will help you feel comfortable and secure.

Thank you for considering Lakeplace.

*Men's and Women's  
Lodging & Services*

**Fellowship Lodge**

**Women's Duplex**

## Fellowship Lodge

This “state of the art” facility has separate complete two bedroom, two bath apartment suites with lodging provided for no more than eighteen men who are receiving “*Comprehensive Outpatient*” *Chemical Dependency Care*”. With in-floor heat and a fireplace room, this facility is designed for your comfortable living through any season. The spacious auditorium and several bedrooms open to a one hundred foot deck with a beautiful, picturesque view of the lake.

## Accommodations

The auditorium is available for presentations, group activities and watching TV or videos. The fireplace room is appropriate for more informal discussions or quiet time only. Each of the nine bedrooms has a private bath. All living areas are designed to be large enough to accommodate the men’s entire recovering community. All apartment suites have kitchens. You will have the option of preparing your own breakfast or lunch, however, men’s congregate dining for the evening meal is required.

## The Women’s Duplex and House

These facilities, also overlooking the lake, feature apartment style living with four women per apartment. Each complete condo has two bedrooms and two bathrooms. The combined kitchen and living areas are more than adequate. Here you can socialize with other women in the adjacent women’s residence during your evening meal.

## The Men’s House and Retreat

These additional more home-like accommodations for men also feature comfortable spaces for sleeping, socializing and to work on assignments. As with all other living facilities, cooking and clean-up depends on your cooperation with others

## Note:

An effort will be made to select a living environment (Lodge, Duplex or Home style) for you that may be best suited to your needs and to provide for you a setting that may compliment you with individuals of similar interests and backgrounds. It is our hope you will find here, in this entire close knit Lakeplace recovering community, a real necessary sense of belonging and fellowship

## Lakeplace Cabins

Three cabins are made available by The Fellowship Foundation for family members, Lakeplace Alumni and for non-profit organizations such as twelve-step groups willing to share their own “strength, hope and experience” with others.

## Facilities for Your Flexible Use

You can be assured the flexibility to use other facilities for what purpose you intend. Some Lakeplace clients enjoy recreational activities and fishing, others the woodworking shop or the exercise, laundry and community room. Hopefully, your first choice will be the fellowship that just comes from more informal visiting and sharing your thoughts and feelings with others. You will find many places at Lakeplace, in the immediate area or on the lake suitable for quiet time necessary for optional personal prayer and meditation, to work on assignments or to just be alone.

## Additional Services

These make your entire chemical dependency care experience more meaningful. Some of these include involvement by Lakeplace Professional Associates, transportation, travel to places of interest, alumni continuing involvement and especially ***The Family Weekend Retreat.***

*Your Concerned Persons can be invited for a full weekend of educational presentations, visiting, meals and fun activity. They will be invited by our Fellowship Foundation to stay in the above facilities or nearby motel all at no charge.*
